ISSUE NO.01 EFF.DATE 11.15.2021

END OF LIFE NOTICE

To Whom It May Concern,

Due to evolving Environmental Policies, the production of glass package product with lead solder will be discontinued effective immediately. These products will be replaced with lead free glass package products that have the same exact performance and reliability. The following products that are effected are as follows

| Discontinued Part Number | New Lead Free Part Number |
|---------------------------------|----------------------------------|
| BAV20 | BAV20PF |
| LS4148 | LS4148PF |
| LL4148 | LL4148PF |
| 1N4690 | 1N4690PF |
| SL4739ATR | SL4739APFTR |

We apologize for any inconveniences this may cause. We believe this is the best way to keep in compliance with many Environmental Standards, including RoHS and REACH. Please contact us at sales@surgecomponents.com for a potential replacement for your series.

Sincerely,

Surge Components Inc.
